## **“YOUR RESPONSIBILITY CODE”**

Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross-country, or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- Always stay in control and be able to stop or avoid other people and objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail, or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas..
- Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

## **KNOW THE CODE. IT'S YOUR RESPONSIBILITY.**

Massanutten does not permit riding lifts, skiing, snowboarding, or snow tubing with child carriers of any kind. All ski and snowboard equipment must have metal edges.

Massanutten will not refund any monies or make any type of restitution unless the snow sports area does not offer all four lessons. There is no guarantee that the snow sports area will be open after, or up to, any specific date.

### I understand that:

- **attendance at the first session is mandatory to be in any lesson**
- **the LTS card is only valid for the 2016/2017 snow sports season**
- **the LTS card is for the sole use of the person whose name appears on the card**
- **the LTS card must be presented with valid ID**
- **the LTS card may be revoked without refund for misconduct or misuse**
- **a \$15 fee will be charged for a replacement card if lost or stolen**
- **the person whose name appears on the card agrees to the above listed conditions**

As a condition of holding a License-To-Slide card and being permitted to use any and all of the facilities of the snow sports area, I further agree to assume all risk of personal injury or loss or damage to any of my property.

I understand and accept the fact that skiing and snowboarding in its various forms is a hazardous sport that has many dangers and risks. I realize that injuries are a common and ordinary occurrence of this sport. I agree, as a condition of being allowed to use the snow sports facility and premises, that I freely accept and voluntarily assume all risks of personal injury, or death, or property damage, and release Massanutten and its agents, employees, directors, officers and shareholders from any and all liability for personal injury or property which results in any way from negligence, conditions on or about the premises and facilities, the operations of the snow sports area including, but not limited to, grooming, snowmaking, ski lift operations, actions or omissions of employees or agents of the area, or my participation in skiing and snowboarding or other activities at the area, accepting myself the full responsibility for any and all such damage or injury of any kind which may result.

I agree that any legal dispute arising out of this agreement, my use of the equipment or my participation in the sport will be brought in either the general district court or the circuit court of Rockingham County, even though some other jurisdiction or venue may be more convenient to me. In the event any section of this release is found to be unenforceable, the remaining shall be fully enforceable.

**WARNING:** Under Virginia law, a ski area operator or other winter sports area operator is not liable for an injury to or death of a winter sports participant in a winter sport conducted at this location, or for damage to property, if such injury, death, or damage results from the inherent risks of the winter sport or from the participant's own negligence. The inherent risks of a winter sport include, among others, risks associated with the land, equipment, other participants, and animals, as well as the potential for you or another participant to act in a negligent manner that may contribute to the injury, death, or damage. You are assuming the inherent risks of participating in a winter sport at this location.
